Dear Rita,

I've taken a look to my schedule: could it be fine for you to have our meeting at 15.00?

Furthermore, just to have your confirmation, the address is: *UMC Genetics Dept., sectie Genoomdiagnostiek, Postbus 9101, 6500 HB Nijmegen (route 848), building Q (Tel. (024)366 89 33), right?*

Thank you so much for everything you're doing for me.

Have a nice day!

Best regards

federica
